

2026 Asia Classic Car Challenge Season Information

I am pleased to announce that the ACCC has confirmed plans for 2026, our 21st racing Season at Sepang International Circuit.

In 2026, ACCC event weekends will feature a mixture of MTCC, Porsche Carrera Cup Asia, Lamborghini Super Trofeo Asia, TSS – The Super Series by B-Quik, and other quality race series, making each event a packed weekend of quality racing.

Subject to final confirmations, Round 4 for ACCC will feature the first ever night race for ACCC, which will be a fantastic addition to the series.

The Event Schedule for 2026 is as follows:

Round 1: Saturday 25th April to Sunday 26th April

Round 2: Saturday 27th June to Sunday 28th June

Round 3: Saturday 25th July to Sunday 26th July

Round 4: Friday 21st August to Sunday 23rd August

(Round 4 will feature ACCC's first ever night race – schedule to be confirmed)

I am also pleased to confirm that ACCC has secured Main Paddock Pits for the first three 3 event weekends, with a dedicated Paddock Marquis for Round 4.

A potential Round 5 is under discussions for September, however, this will be confirmed as soon as possible, pending outcome of commercial discussions.

I am also pleased to confirm the Season Race Administration for 2026 remains with Dila and her team. Dila can be contacted at dilla@eksb@gmail.com .

Season Entry Fees

Due to the very significant financial and commercial demands of operating the series, for 2026, ALL ENTRANTS will be required to pay the **Annual Season Entry Fee**, in full, by Friday 17th April, to be eligible for the series.

Annual fees are a standard requirement of most racing series.

Whilst in past years, ACCC has tried to be extremely flexible on when entry fees are paid, the commercial reality of the contracted commitments made, dictates this needs to be brought into line with commercial obligations made by the organiser of the series.

This change is required to ensure that ACCC can continue to provide you with Asia's longest running Classic Car Series. Whilst this is a change from prior seasons, it is a necessary change to support the financial commitment undertaken by the series.

Without a matching commitment from teams and drivers to the whole season, the financial viability of the series is severely compromised.

The ACCC is NOT a profit-making enterprise. ACCC is run for enthusiast racers, by enthusiast racers, so we all have a series to enjoy. ACCC's goal is to grow, and to continue the series into the future.

For 2026, the season entry fee is MYR18,500 / USD 4,600 for the FOUR events confirmed.

Entry fees cover the following for each car:

Two (2) hours of track time per event (30 min practice, 30 min qualifying and 2 x 30 min races), scrutineering, race control, timing system, pit space, race administration team, event passes, marshals, medical facilities, Race Stewards, MAM Race Inscription fees, trophies, banners, car decals, security, and all other race and administration costs to operate the series.

With the first round only a few weeks away, all entrants are requested to confirm the following as soon as possible, but no later than Friday 17th April:

- Driver name;
- Car Make & Model;
- Class Entered; and
- Preferred Race number.

Banking Details for the series are included in Appendix 1 to the 2026 Sporting & Technical Regulations.

PLEASE NOTE: There is a minimum number of confirmations required for the season to commence, therefore, please send your entries in as soon as possible, but no later than 17th April, to secure your series entry.

Entries should be confirmed by email to:

Dila – dilla.eksb@gmail.com or
